Letter from the Headmaster

To the Class of 2011,

It is an absolute pleasure to congratulate you as you prepare to graduate from our "Castle on a Hill" and begin the next phase of your life's journey. You have been a remarkable group of young people and I am confident that your success will continue in college and in your future careers.

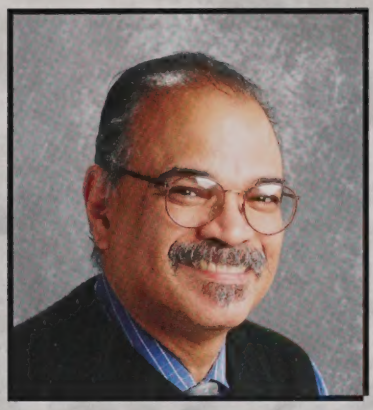
It is particularly exciting for me to celebrate with the Class of 2011 this Spring as you will be my first full-year graduating class at Brighton High School. I entered Brighton High School midyear in the midst of a tough start to the 2009-2010 school year. For many you it was business as usual; for me it was taking on the leadership of one of Boston's oldest and most successful schools. I am proud of how we have worked together to make Brighton High School an even better school. I'll never forget the bonds we've forged in our short time together. I hope that I made a lasting impression on you regarding your responsibility to take advantage of every opportunity in front of you.

As you leave our school community and prepare to take the next steps in your life, remember that your education is not complete. To truly be successful long term you will need to continue your education in some form. Your chosen path can be college, business or technical school, military service, or on the job training. Your high school graduation is a great accomplishment within itself and should be used as a stepping to reaching your goals in life. The Brighton High School community has seen you succeed and flourish, and we know that you will continue to do in your future endeavors.

On behalf of the entire administration and faculty, I wish all of you satisfaction and success as you go forward in life as alumni of Brighton High School.

Sincerely,

Fred McDowell
Headmaster



Assistant Headmasters

Dear Members of the Class of 2011,

I extend my very best wishes to each of you! Congratulations and a special "thank you" to those of you have brought "Bengal Pride" to Brighton High School by excelling academically, athletically as a member of one of our fantastic sports teams, or as a member of our outstanding JROTC, Debate Team, and Robotics Team. You have added greatly to the spirit that is Brighton!

Your achievements throughout these past years reflect determination, hard work and perseverance. These are the same qualities that will guarantee your future success. Remember, as graduates of Brighton High School, you have learned far more than academics. You have learned lessons that will last a lifetime: how to overcome obstacles, how to work cooperatively to achieve, and most importantly, how critical it is to follow through to fulfill your dreams.

However, our famous statesman, Benjamin Franklin, has reminded us, "Without continual growth and progress, such words as improvement, achievement, and success have no meaning". Therefore, remember that it is your most important responsibility now to continue to grow! Continue to improve! This will insure your own success and give your life true meaning. Never accept less than your personal best and your future success will inspire others.

It has been rewarding to work with each of you. Please remain loyal alumni to Brighton High School. Come back to visit and, most importantly, to help us guide future graduates. All my best!

Sincerely,

Mrs. Campbell

Dear Members of the Class of 2011,

Sometimes it seems that to do well in school is a lot of hard work and it could be. Students that applied themselves and took the time to do well in school are now bearing the fruits of their hard work. It's so sweet!

The graduates of class 2011 are now celebrating a great milestone in their careers, but they are not done yet. The learning process is a lifelong commitment and the more you continue to apply yourself, the more successful you will be. Don't stop learning, stay focused and read a lot. Not only read a lot let your children see you reading.

Enjoy your summer vacation and continue getting ready for the next stage in your life! Now real life is about to begin. Face it with fortitude and discipline and you will be alright. May success shine upon each and every one of you! Good Luck in your future endeavors!
